

SUMMER INTERNSHIP

Computational Nanoscience and Technology Lab (CNTL)

Applications are invited for summer internship (May-July 2010) for students of technical Institutes/Universities who wants to pursue their thesis dissertation work in PG/M.Tech/M.Phil/MSc. in the areas of Physics, Electronics, Material Sc., Nanotechnology, Solid State Physics at Computational Nanoscience and Technology Lab (CNTL), ABV-IIIITM, Gwalior.

All those who are interested may apply on plain paper along with detailed CV and send directly to the following email address: cntl@iiitm.ac.in latest by 10th Jan. 2010. Application must contain two letters of recommendation by the Professors.

Details about the research areas, facilities available etc. at the CNTL can be obtained on the website <http://cntl.iiitm.ac.in>

The shortlisted candidates will be intimated on their contact details by 20th Jan. 2010. The candidates have to deposit the computational charges for using the CNTL facilities as per Institute norms. The institute will provide fooding and lodging in Institute hostels on payment basis.
