- Prof. RajendraSahu
- Prof. Anupam Shukla
- Dr. JoydipDhar
- Madam ManjulaPatankar

● **Conclusion of Panel Discussion:**

There is one message that echoes forth from this discussion, it is that human rights are women's rights. And women's rights are human rights. Women empowerment is giving rights to women in personal, social, political, economic and all judicial fields. Women empowerment does not mean to discriminate men and worship women but it is about equality. It will make women more knowledgeable and smart to stand in this competitive world today.
