### **Part-Time Ph.D. Programme-2020**

In order to facilitate *industry-academia interaction*, the Institute intends to invite applications from professionals working in reputed industries for admission to **Part-Time Ph.D. Programme** in the areas as specified below. The applicants are advised to visit the faculty profiles page at the Institute website for the research areas. However, the Institute welcomes emerging Industry related research along with the existing research areas. The minimum eligibility requirement for admission to PhD programme is as follows:

- **For Engineering:** Candidates must have first division in MTech/ MS/ ME or equivalent in CSE (Computer Science and Engineering)/ IT (Information Technology)/ ECE (Electronics and Communication Engineering), EEE (Electrical & Electronics Engineering) degrees with first division in relevant discipline in their BE/BTech.
- **For Management:** Candidates must have first division Masters Degree (MBA) or its equivalent in any branch of Engineering/ Technology along with first division in Engineering (BE/BTech) at Undergraduate level.
- **For Applied Sciences:** Candidates must have first division Masters Degree in Physics/Mathematics/or any related branch of Physics/Mathematics along with first division in Undergraduate level.
- The applicants must have a minimum of three (3) years experience in relevant area along with the above mentioned qualifications. However, the minimum PGqualification would be relaxed to UG qualification (only for B.E/B.Tech background) for persons working with the industry, but such candidate should have a minimum of five (5) years relevant experience.

#### **Guidelines for Applying:**

- Candidates are required to fill the online application form available on the Institute website [www.iiitm.ac.in](http://www.iiitm.ac.in). It is NOT REQUIRED to send the forms by post.
- Application fee of Rs. 500 should be submitted through online payment gateway available at Home Page of the Institute's Website.
- Candidates must specify broad areas of research in the application form. The Ph.D. admission will be based on available Faculty Expertise.
- Selection will be based on previous academic record, experience and/ or performance in interview.
- List of shortlisted candidates for interview will be posted on institute website. No separate intimation will be sent to the applicants.
- Mentioned qualification is indicative of eligibility criteria. The shortlisting criteria may be higher depending upon the number of applications.
- The candidates are required to visit institute website regularly to know more about the updates, fee structure/ faculty expertise, etc.
- Candidate must upload scanned copy of the academic documents, experience certificate, no-objection certificate, etc. at the time of applying.

**General Rules:**

- The applicant should possess the minimum entry qualifications for PhD programme, as given above;
- The applicants must have been in continuous service with the sponsoring organization for at least two years (2) at the time of submitting the application form for admission.
- The applicant should prove that his official duties permit him to devote sufficient time for research;
- Facilities for pursuing research are available at the applicant's place of work recognised for the chosen field of research;
- He/she will be required to reside at the Institute campus for the completion of course work assigned by the SRC; and
- As long as the institute does not open due to COVID pandemic, the classes will be held in online mode.
