Advertisement for Full-Time/Part-Time Ph.D. Programme, July 2022 (Revised)

Institute invites applications for admission to **Full-Time/Part-Time Ph.D. Programme** in the field of Engineering, Management, and Applied Sciences. The general eligibility criteria (pertaining to all the disciplines) for **Full-Time** admission to the Ph.D. programmes are as follows:

Candidate must have a Master's degree in Engineering/Technology/Management (with engineering background)/Applied Sciences (Physics, Mathematics, Electronics, Industrial Mathematics) or any other equivalent qualification recognized by the Institute with a minimum of 65% marks or CGPA of 7.00 on a 10 point scale in qualifying degree. Additionally, the candidates must have qualified the GATE/NET exam. The candidates having high rank in National Level Fellowship examinations such as CAT or equivalent are also eligible to apply. The requirement for GATE can be exempted for the candidates having both the Master's degree and B.Tech from Centrally Funded Technical Institutions (CFTIs) with CPI 8.0 or above at B.Tech level. Exceptionally good candidates having the bachelor degree from CFTI with CPI 8.0 or above may also be considered for the Ph.D admission. In addition to the above mentioned criteria, the candidates should also fulfill the **discipline specific criteria** given below:

- **For Engineering:** Candidates must have a M.Tech/ M.S./ M.E. or equivalent degree in CSE (Computer Science and Engineering)/IT (Information Technology)/ECE (Electronics and Communication Engineering)/EEE (Electrical & Electronics Engineering) with first division at undergraduate (B.E./B.Tech) level.
- **For Management:** Candidates must have Master's degree in Engineering/Technology/Management (with engineering background) with first division at undergraduate (B.E./B.Tech) level.
- **For Applied Sciences:** Candidates must have Master's degree in Physics/Mathematics/or branch related to Physics/Mathematics with first division at undergraduate level.
- **For Sponsored Project Employee:** Any employee working under the sponsored project at ABV-IIITM Gwalior may also apply for the Ph.D. programme under the supervision of corresponding project investigator(s) subjected to the availability of funding for approximately two years after the date of selection. The candidate(s) fulfilling the eligibility criteria for Ph.D. admission and recommended by the concerned PI can apply for the Ph.D. programme at any time, the selection will be done by a committee duly constituted by competent authority. The selected candidate(s) will not get any financial support from the institute during the entire Ph.D. programme. In case of the project completion, the candidate may continue his/her research work under the same supervisor. However, the supervisor may support the candidate from other project funding or candidate may continue the programme as self-sponsored or request to convert his/her Ph.D. form full time to part time programme.
- In all the above cases, the relaxation for reserved categories (SC/ST/OBC/PwD/EWS) will be given as per GoI norms.

- **Eligibility Criteria for Part-Time Ph.D. Programme:** Institute invites applications from professionals working in **Industries/Academic Institutions/Research & Development (R&D) Organisations** for admission to **Part-Time Ph.D. Programme** in the areas specified below. Candidates working in emerging industry related research in connection to the research areas mentioned below are encouraged to apply. The minimum eligibility criteria for admission to **Part-Time Ph.D. programme** are as follows:
 - Candidate must have a Master's degree in Engineering/Technology/Management (with engineering background)/Applied Sciences (Physics, Mathematics, Electronics, Industrial Mathematics) or any other equivalent qualification recognized by the institute with a minimum of 65% marks or CGPA of 7.00 on a 10 point scale in qualifying degree.
 - The applicants must have a minimum of two (02) years of experience in relevant area along with the **discipline specific criteria**. However, the minimum PG qualification would be relaxed to UG qualification (only for B.E/B.Tech background) for candidates having a minimum of five (05) years of experience in total from **Industry/Academic Institutions/Research & Development (R&D) Organisations**. Moreover, while applying, the candidate has to take NOC from the current organization.

Research areas in different disciplines:

- **Engineering:** Microelectronics/VLSI/Embedded Systems, Computer Architecture, Computer Vision, Algorithms, Image Processing, Robotics, Communication, Networks, Wireless Sensor Networks, IoT, Cyber Physical Systems, Mobile Computing, Grid Computing, Information Security, Soft Computing, Data Mining, Machine Learning, Database/WEB/Multimedia Technologies, Distributed Computing, Analytics, etc.
- **Management:** Operations, Marketing, Finance, Information Systems Management, Human Resource Management/Organization Behavior, Business Economics, e-Governance, Environment Management, Technology Management, Management of Informal Sector, Project Management, Entrepreneurship, International Business, System Dynamics, Business Analytics, etc.
- **Applied Sciences:** Physics/Applied Physics/Material Science/ Nanotechnology/ Computational Physics/Nano Electronics/Nanoelectronics/Optoelectronics/Device Modelling/Engineering Physics/Electronics/ Applied Mathematics / Operations Research/ Engineering Mathematics / Reliability / Applied Statistics / Soft Computing Applications / Optimization / Cryptography / Modeling and Simulation / Mathematical Biology, etc.

Guidelines for Applying:

- Candidates are required to fill the online application form available at the Institute website: www.iiitm.ac.in. It is **NOT REQUIRED** to send the form by post. However, the candidate must bring self-attested copy of the original application form at the time of interview. Also bring two (02) recent passport size color photographs at the time of interview.
- Application fee of Rs 500 (For GEN/OBC) and Rs 250 (for SC/ST/PwD/EWS) should be deposited through online payment gateway available at the home page of the Institute website.
- Candidates must specify broad areas of research in the application form.
- Selection will be based on previous academic records and/or performance in the interview.
- **List of shortlisted candidates for the interview will be posted on Institute website. No separate intimation will be sent to the applicants.**

- Mentioned qualification is indicative of eligibility criteria. The shortlisting criteria may be higher.
- The candidates are required to visit Institute website regularly to know more about the updates, fee structure/faculty expertise, etc.
- Candidate must upload scanned copy of their academic credentials, score card (GATE/NET/CAT/etc), category certificate (In case of OBC-NCL, certificate must be issued after 1st April, 2022), experience certificate, no-objection certificate (only for part-time students), and Ph.D. application fee receipt at the time of applying. Failing which the candidate's application may be rejected. Moreover, **the originals will be required at the time of interview.**

Fellowship & Accommodation for Full-Time Candidates:

- The selected candidates shall be entitled for fellowship (except institute project employee) as per GoI norms.
- The institute project employee will get assistantship from project funding subjected to the availability of the funding (see the eligibility criteria for more detail)
- This programme being residential and so, the Ph.D. scholars will be provided accommodation in hostels as per Institute norms. Accommodations are also available for married candidates, however such accommodations are limited in number.

General Rules for Part-Time Candidates:

- The applicant should prove that his/her official duties permit the candidate to devote sufficient time for the research.
- Facilities for pursuing research work are available at the applicant's place of work recognised for the chosen field of research.
- The candidate has to complete the course work assigned by the SRC members.

Important Dates:

Online form fill begins	April 26, 2022 (Tuesday)
Last date of application submission	May 26, 2022 (Thursday)
Online update about shortlisted candidates	May 31, 2022 (Tuesday)
Interview	June 20/21, 2022 (Monday/Tuesday)
